2021 YOUTH & ENTREPRENEUR SCHOLARSHIP GOLF INVITATIONALS

Registration Brochure

July 19, 2021 at White Manor Country Club, Malvern, PA

August 9, 2021 at Fox Chapel Golf Club, Pittsburgh, PA

www.emsdcgolf.org

A round can build lasting relationships in a few short hours, fund projects, build teams, break down barriers, and create an environment of deal-making, stress relief, and wellness.

Playing a round is good business! During the 4-5-hour round of golf at the Youth & Entrepreneur Scholarship Golf Invitationals, you get to know the other players well. During that time, you can get business leads and learn new reliable sources. Over the course of play, you learn about a person, not so much by what he or she says, but how they handle themselves on the course. Golfers bare their souls on the course, showing their genuine reactions to good shots, medium shots, and catastrophic shots. A golf round also offers a relaxed atmosphere for problem solving, team building, and deepening relationships.

The invitationals also support the mission of the Council to build and foster future business relationships. Proceeds continue to fund business scholarships for our minority business owners, as well as fund programs for youth through various partners, previous years' recipients include: All Star Code, UNCF, and the Business Center's Youth Entrepreneur Camp. This year's recipients will be All Star Code, UNCF, the Business Center's Youth Entrepreneur Camp and the Will Allen Foundation.
